

USB Type-C to USB-A Cable

Gochain Technology USB Type-C to USB-A Cable is a high-quality, durable cable designed for reliable data transfer and charging. The cable features a USB Type-C connector on one end and a standard USB-A connector on the other. The USB Type-C connector is shown with dimensions: 10.6 mm width, 8.2 mm height, and 8.4 mm diameter at the base. The USB-A connector is shown with dimensions: 13 mm width, 24 mm height, 4 mm diameter at the base, and 7.8 mm diameter at the bottom. The USB-A connector housing is black with the USB logo embossed on it. The cable is made of high-quality braided copper wire and is designed to meet the USB 2.0 specification. It is compatible with all USB Type-C devices that support USB 2.0 data transfer. The cable is available in a length of 8 feet. It is designed to meet the ISO 9001:2000 and ISO 14001:2015 standards. Gochain Technology is a leading manufacturer of high-quality USB cables and accessories. For more information, please visit our website at www.gochain.com.
