

USB Type-C 10A 250V Power Cord

This power cord is designed for use with USB Type-C devices and provides a convenient way to charge your devices. The cord is made of high-quality materials and is durable and reliable. The USB Type-C connector is compatible with all USB Type-C devices, and the 10A 250V AC plug is compatible with standard wall outlets. The power cord is also available in various lengths to suit your needs.

The power cord is designed to meet the requirements of the ISO9001-2016 standard, ensuring that it is of high quality and reliable. The power cord is also designed to be safe and secure, with a locking mechanism that prevents the cord from being pulled out of the device. The power cord is also available in various colors to match your device.

This power cord is a great choice for anyone who needs a reliable and durable power cord for their USB Type-C devices. The power cord is also available in various lengths to suit your needs.
