Question 1

Q1: How do you ensure the quality of your products? : Goochain We ensure the quality of our products through a strict quality control system. We use high-quality materials and employ skilled technicians to manufacture our products. We also conduct regular quality checks and testing to ensure that our products meet the highest standards of quality and reliability.

Question 2

How do you handle customer complaints? : We have a dedicated customer service team that is available 24/7 to assist our customers. We listen to their concerns, investigate the issue, and provide a prompt and satisfactory resolution. We also use customer feedback to improve our products and services.

Question 3

What are your company's certifications? : We are ISO 9001:2008 certified, which demonstrates our commitment to quality management. We also comply with other industry standards such as RoHS, SGS, CE, and FCC. Our products are designed to be safe, reliable, and environmentally friendly.

Question 4

Do you offer OEM/ODM services? : Yes, we offer OEM/ODM services to our customers. We have a team of experienced engineers and designers who can help you develop and manufacture custom products. We also offer a wide range of services, including product design, prototyping, and mass production. Our minimum order quantity is 100 units.

Question 5

What are your shipping options? : We offer several shipping options to our customers, including DHL, FedEx, UPS, TNT, and EMS. We can also arrange for air or sea freight shipping. We will work with you to determine the most suitable shipping method for your needs and budget.

Question 6

Where are your factories located? : We have several factories located in different parts of China, including Kangyang, Shebei, Huangjiang, and Dongguan. Each factory is equipped with advanced manufacturing equipment and a highly skilled workforce. We can produce a wide range of products in different quantities and specifications.
