USB Ethernet Adapter

Goochain Technology Co., Ltd. is a professional manufacturer of various types of USB Ethernet adapters. We have a rich experience in the field of USB Ethernet adapters. Our products are widely used in various fields, such as industrial control, medical equipment, and other fields. We have a complete production line and a strict quality control system. Our products are widely used in various fields, such as industrial control, medical equipment, and other fields. We have a complete production line and a strict quality control system. Our products are widely used in various fields, such as industrial control, medical equipment, and other fields. We have a complete production line and a strict quality control system.

About Us

10+ Years Experienced Professional Manufacturer of Customized Cables.

2000 M²
Factory space with 10 years of production experience

100+
Employees

OEM/ODM
Support cable customized

ISO 13585
Certified Medical Accessory Manufacturer

Certificate

We followed international ISO management Standard to make our custom cables, medical cables and chargers with good quality and best price.
