The image displays 12 individual product certificates of conformity, organized into two horizontal rows of six. Each certificate is issued by HTT Technology, Inc. and pertains to a specific model within the HTT-10000 series.

- Certificate Headers:** Each certificate has a header section containing the following details:
 - Model No.:** HTT-10000-S1 through HTT-10000-S6.
 - Serial No.:** A unique identifier for each unit.
 - Date of Issue:** The date when the certificate was issued.
 - Signature:** A handwritten signature of the authorized representative.
- Test Results Table:** Below the header, there is a table summarizing the test results. The columns typically include:
 - Test Item:** Description of the test performed.
 - Result:** The outcome of the test (Pass/Fail).
 - Remarks:** Any additional notes or observations.
- Additional Information:** At the bottom of each certificate, there is a section for additional information, which may include:
 - A statement of compliance with relevant standards.
 - Contact information for HTT Technology, Inc.
 - A QR code or other tracking mechanism.

The certificates are presented in a clean, professional format, with clear headings and structured tables to facilitate reading and verification.
