Gochain 10-Pin M8 Connector Cable

Gochain 10-Pin M8 Connector Cable is a high-quality cable designed for medical applications. It features a USB-C connector on one end and a 10-pin M8 connector on the other. The cable is suitable for use with various medical devices, including ECG monitors, PowerUSB devices, and other medical equipment. The cable is made of high-quality materials and is designed to be durable and reliable. It is available in a length of 80 cm and is sold in a pack of 8 cables. The cable is also ISO 13485 certified, ensuring that it meets the highest standards of quality and safety.
