In daily life, we often need to charge multiple devices simultaneously. Today, we recommend a Goochain USB-C female to 2x USB-C female output smart adapter, which easily addresses the charging needs of multiple devices.

Product Highlights:

1. Single Input, Dual Output:
 - Input Port: 1 USB-C female.
 - Output Ports: 2 USB-C female.
2. Powerful Power Delivery:
 - Input Power: Supports up to 100W (20V/5A).Smart power distribution, maximum total output power of 100W.

Intelligent Power Distribution:

The adapter can intelligently distribute power according to device requirements. For example, if a laptop requires 65W and a phone requires 18W, the adapter will automatically allocate the

corresponding power to each device.

Usage Scenarios:

1. Simultaneous Charging:

- Charge a laptop and smartphone simultaneously, simple and convenient.

2. Accessory Power Supply:

- Supports USB-C devices like external hard drives, monitors, etc.

3. Portable Workstation:

- A handy tool for business trips or mobile offices, one adapter solves multiple charging needs.

User Guide:

1. Connect to Power:

- Connect the adapter to a power adapter that supports 100W.

2. Intelligent Power Distribution:

- The adapter distributes power to the two output ports according to demand.

3. Connect Devices:

- Connect devices to the adapter, which intelligently allocates power to ensure device safety.

Friendly Reminders:

- Cable Quality:
 - Use high-quality [right angle USB-C cables](#) to ensure efficient power transmission.
- Adapter Compatibility:
 - Ensure your power adapter supports 100W output.
- Device Compatibility:
 - Ensure your devices support USB-C power delivery.
- The smart USB-C splitter provides a convenient charging solution for you, whether at home, in the office, or on a business trip, ensuring your devices are always fully charged. Get one now to make your life more convenient!
