

Our **90-degree Type-CM to JST PA 2P FPC cable** is a **custom terminal line** optimized for **space-constrained applications** like **charging docks**, **handheld terminals**, and **modular smart devices**.

The highlight of this cable is its **FPC (Flexible Printed Circuit)** structure, which offers:

- **Ultra-thin form factor** for tight enclosures
- **Enhanced durability** against bending fatigue
- **Precise routing** in multi-port charging modules
- **Easy integration** with pogo pin or board-to-board connectors

This connector line is especially suited for:

- Consumer electronics
- Industrial smart devices
- Charging cradles and power docking systems
- Customized device interconnections

With **manufacturing facilities in Shenzhen and Dongguan**, we provide **OEM/ODM terminal cable solutions** with strict quality control and engineering support.
