## Product characteristics:

### Customized DB25 Male to Female Cable with Plastic Corrugated Pipe

This serial DB25 cable has a male and a female connectors, each of which has 25 conductors with a 1-to-1 match that enables you to extend your connection without the need of longer serial cables. And the threading corrugated pipe has its unique function in protecting the wiring harness. At the same time, car wire harness corrugated pipes can also be resistant to acid and alkali, corrosion, oil stains, and other characteristics. It makes this DB25 Male to Female Cable more durable.
