

Product feature

The [Plug AC/DC Power Adapter with a 90-Degree Micro USB Male Connector](#) is designed for devices that require a compact power solution with reliable cable routing. The angled connector reduces stress on the port and improves durability—ideal for environments with limited space or repeated bending.

We are a **professional power adapter and cable manufacturer** with strong R&D capability, offering complete OEM/ODM services for global brands and system integrators. Our factory is **ISO 9001 certified**, guaranteeing stable quality, precise manufacturing processes, and strict quality control at every stage—from tooling and PCB assembly to final testing.

This [adapter](#) is suitable for a wide range of applications across multiple industries:

Applications:

- Smart IoT devices
- POS terminals and handheld barcode scanners
- Consumer electronics
- Medical devices (non-life-support equipment)
- Industrial controllers
- Security systems / access control
- Set-top boxes, OTT devices
- Portable instruments

Each unit undergoes comprehensive quality testing including functional tests, burn-in tests, and safety verification. We support both small-batch customization and large-scale production.

Why Choose Us as Your Cable Manufacturer?

- **Certified Quality:** ISO 9001 certified factory
- **OEM & ODM Service:** Fully customizable connectors, cable length, and design
- **Engineering Support:** Strong R&D capability to support new product development
- **Manufacturing Strength:** Over 10 years experience in cable manufacturing
