

Product Feature:

Our Lemo 2Pin Connector with ECG Snap Cable provides a high-quality, reliable connection for ECG monitoring systems. Made with a medical-grade Lemo connector and a durable ECG snap cable, this product ensures precise and secure ECG signal transmission. Perfect for hospitals, diagnostic centers, and other healthcare settings, this cable is compatible with a wide range of ECG devices. Manufactured in Dongguan, China, we ensure strict compliance with industry standards, holding both ISO 13485 and ISO 9001 certifications.

Additionally, you can explore our [2mm Pin to 3.9mm Male Snap Adapter Electrode Lead Wires](#) for TENS and EMS units, another popular product designed for secure connections in therapeutic medical devices.

This product [Lemo 2Pin Connector with ECG Snap Cable](#), along with our Lemo connector cables, is a testament to our commitment to quality and precision in the field of medical equipment manufacturing.
