## Product Specification:

### Wireless Charging Desk Stand for iPad

This magnetic [iPad stand](#) features integrated Pin Smart Connectors for wireless charging. Simply connect the [USB-C cable](#) to the stand and place your device on it to begin charging. It supports up to 18W fast charging for efficient power delivery. (NOTE: If a Chinese Keyboard notification appears the first time you connect, select "Ignore." If the keyboard doesn't appear as expected, go to Settings > Show Keyboard.)

### [360-Degree Adjustable and Foldable Stand](#)

The stand boasts a 360-degree adjustable panel and base, making it versatile for various uses such as work, entertainment, or drawing. You can easily find the most comfortable angle for your needs. Its highly foldable design means it takes up minimal space when folded and is easy to carry in your bag, making it highly portable.

### Powerful Magnetic Design

Designed specifically for the iPad Pro 13-inch, this magnetic stand includes 88 evenly distributed small magnets for a strong magnetic force and stability, ensuring your device remains securely in place.

### Aerospace-Grade Aluminum Construction

Crafted from premium aerospace-grade aluminum, this iPad stand is built with scientific force analysis to provide exceptional stability and durability, meeting high-quality standards.
