

## Product Description:

This 16 pin FPC pogo pin cable assembly combines the flexibility of an FFC/FPC ribbon cable with the high-reliability contact of spring-loaded pogo pins. Designed for high-density and compact space applications, these FPC POGO PIN cables are widely used in:

Functional test interface (FTI)

PCB testing fixtures

Battery charging pads

Medical device signal connections

Smart wearable or module docking

We provide custom solutions including different pin counts (2-30 pins), pitch options, cable lengths, and connector styles. The pogo pin side is engineered with precision gold-plated contacts, ensuring excellent conductivity and long-life performance.

## Application Scenarios:

### Electronics Testing

pogo pin to FFC harness Used in automated test equipment (ATE) for making secure, repeatable connections to test points or modules.

### Charging Interfaces

[FPC to pogo pin Charging cable](#) for docking stations, wearable chargers, and battery charging bases requiring high mating cycles.

### Medical Equipment

Spring loaded pogo pin to FPC cable Provides reliable signal and power transmission in medical monitoring or diagnostic devices.

### Consumer Electronics

**Pogo pin cables** Used in mobile devices, tablets, and IoT module connections where compact and durable interconnects are needed.

## Company Introduction

**3000 M<sup>2</sup>**

Accessory  
Manufacturer

## FAQ

**Q1: Can I start a sample order first before ordering more?**

A: Sure, Goochain provide free samples if we have stock, sample customized should be charged some set up cost. We appreciate you to order sample from us to check our quality.

**Q2: What payment methods do you accept?**

A: Alibaba Trade Assurance, PayPal, T/T, Bank Transfer, Western Union and L/C

**Q3: How does your factory do regarding quality control?**

A: Quality is priority. QC department with professional quality assurance specialist attach great importance to quality controlling from the very beginning to the very end. Our factory has gained FDA Registered, Rohs, SGS, CE FCC, ISO9001:2008 ISO13485 authentication. Etc

**Q4: Factory? Yes! Can I customize items I like, such as to print our own logo, or to alter the design?**

A: Yes, we are a factory with more than 100 employees. We offer OEM/ODM service. Please contact us or our sales representative to check with the details.

**Q5: Delivery time and warranty? Which shipping service you will use for my goods?**

A: Our lead time is around 2-4 weeks, and we can provide 12 months warranty since delivery. We used DHL, Fedex, UPS, TNT, EMS as customer like.

**Q6: Where is your factory located? How can I visit there?**

A: Sure. We are more than happy to receive you in Dongguan and show you around our workplace.
