

Product Description:

"Power up your Microsoft Surface Pro effortlessly with our **USB-C Female to Surface Charging Adapter**. Designed specifically for **Microsoft Surface Pro 7, Surface Pro 8, and Surface Pro X**, this adapter enables fast and reliable charging through USB-C Power Delivery (PD) technology.

Whether you're working from home, in the office, or on the go, this compact and durable adapter ensures your Surface Pro stays charged and ready for action. Its sleek design and high-quality construction make it the perfect companion for professionals, students, and tech enthusiasts alike.

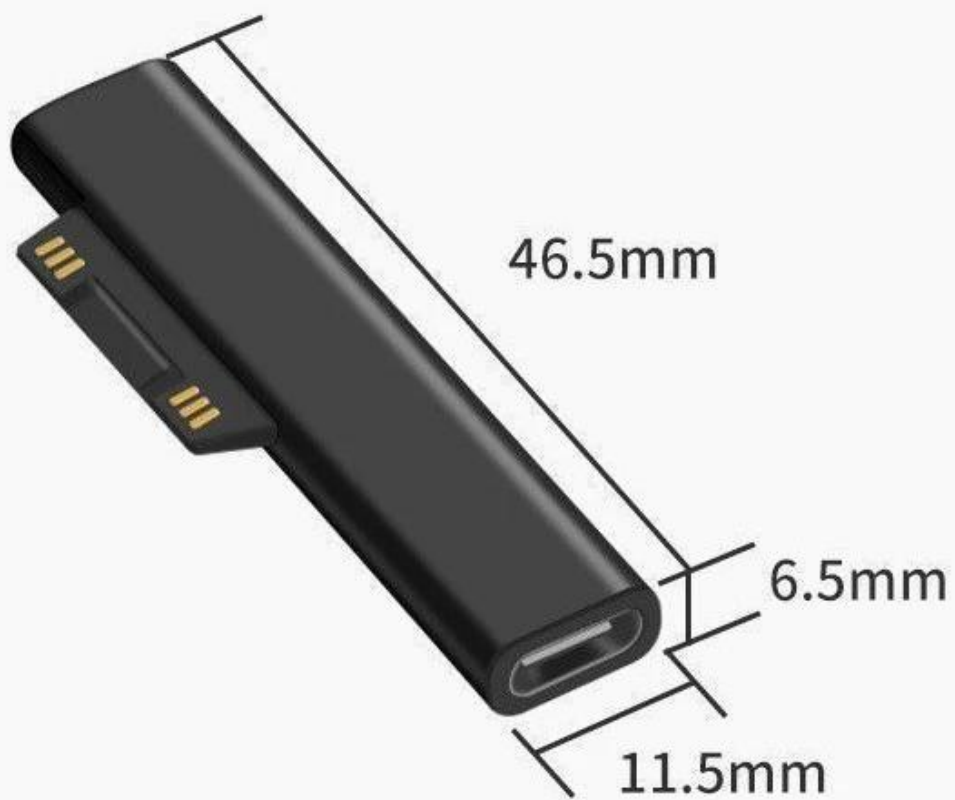

Key Features:

- **Fast Charging:** Supports USB-C Power Delivery (PD) for efficient charging of your Surface Pro.
- **Universal Compatibility:** Works seamlessly with **Microsoft Surface Pro 3/4/5/7, Surface Go1/2, Surface Book 1/2, Surface laptop 1/2** , and other USB-C power sources.
- **Compact & Portable:** Lightweight and pocket-sized design for easy portability.
- **Durable Build:** Made with high-quality materials for long-lasting performance.
- **Plug-and-Play:** No drivers or software required – simply connect and charge.

Applications:

- Charge your Surface Pro using USB-C power banks, chargers, or laptops.
- Ideal for travel, office use, or home setups where traditional Surface chargers are unavailable.
- Perfect for professionals who need a reliable backup charging solution.

Upgrade your charging experience today with our **USB-C to Surface Charging Adapter** – the ultimate solution for keeping your Surface Pro powered up wherever you go!"
