

Product feature

Our [**USB Type-A Male \(90-Degree\) to Panel Mount USB-A Female Extension Cable**](#) is engineered for reliable, durable, and secure data or power transmission in environments where standard cables won't hold up.

Key Features:

- **Right-Angle USB A Male Connector:** Perfect for tight spaces or back-panel connections in medical devices, automotive systems, or industrial machinery.
- **USB A Female with Panel Mount:** Reinforced with two screw holes for easy mounting on enclosures, control boxes, panels, or cabinets.
- **USB 2.0 High-Speed Transfer:** Supports data rates up to 480Mbps for efficient signal transfer and device communication.
- **Custom Length & Materials:** Available in multiple lengths, with PVC, TPE, or LSZH jackets upon request.
- **Durable Design for Harsh Environments:** Designed for industrial and medical device manufacturers needing rugged connectivity solutions.

We specialize in custom cable assembly solutions and can fully tailor this product's length, overmold shape, color, strain relief, and even packaging to your exact specifications.

Why Choose Us?

As a **certified manufacturer with ISO13485 and ISO9001**, we specialize in custom USB cables, including [USB panel mount cable](#), right-angle, waterproof, magnetic, and medical-grade solutions. We provide **R&D engineering support, mold design, rapid prototyping, and OEM/ODM services** for B2B clients in healthcare, industrial automation, smart devices, and automotive sectors.
