Screw Locking Mount 90 Degree USB Type A Cable to USB Female Function Cable Compatible with MacBook Pro AiriPad

Specification:

- Connector: 90 Degree USB-A male to USB-A female
- Conductor:Copper
- Extension Cable
- Cable length: 0.2 meters
- Colour: Black

Advantage:

Many **data cable** heads are connected to the cable due to bending during use, resulting in a layer of rubber cracking on the surface, which can lead to poor charging contact, electrical leakage, and even inability to charge. And our This Dual Elbow Design USB Cable can to some extent avoid this situation.

As a reliable producer in Cables, we also can make network cable, industry cable and wire harness. please feel free to contact with us if you have inquiry about any cable assembly.
