

## Product feature

# High-Quality Silver Chloride Plated Stainless Steel Plate - Built for Precision Applications

This [Ag/AgCl plated stainless steel plate](#) is engineered for industries that require **high stability, low noise, and reliable electrical performance**. The **50 × 50 mm** plate with **0.5 mm thickness** is ideal for use in **biopotential electrodes, sensor manufacturing, electrochemical testing**, and various scientific instruments.

Our **precision silver chloride coating** ensures excellent **electrical conductivity, corrosion resistance, and long-term stability** in chloride environments. The plate surface is **polished and smooth**, providing uniform performance for critical applications.

---

## Advantages of Choosing Us as Your Manufacturer

### Advanced R&D and Engineering Support

Our engineering team supports:

- Custom Ag/AgCl coating processes
- Custom dimensions and thickness
- OEM/ODM product development
- Prototype to mass-production services

### Wide Application Compatibility

Suitable for:

- **Medical device electrodes** (ECG, EKG, EMG, TENS, EMS)
- **Electrochemical testing plates**
- **Water quality conductivity sensors**
- **Lab research materials**
- **Custom scientific instruments**

## Why Choose Us as Your Cable Manufacturer?

- **Certified Quality:** ISO 9001 certified factory
- **OEM & ODM Service:** Fully customizable connectors, cable length, and design
- **Engineering Support:** Strong R&D capability to support new product development
- **Manufacturing Strength:** Over 10 years experience in cable manufacturing

We also have many other [silver chloride plated connectors](#). please contact us to learn more information.

## Company Introduction

# About us

10+ Years Experienced Professional Manufacturer of Customized Cables.

**3000 M<sup>2</sup>**

Factory  
space with  
10years of  
production  
experience

**100+**

Employees

**OEM/ODM**

Support  
customized

**IOS13485**

Certified  
Medical  
Accessory  
Manufacturer

## FAQ

### Q1: Can I start a sample order first before ordering more?

A: Sure, Goochain provide free samples if we have stock, sample customized should be charged some set up cost. We appreciate you to order sample from us to check our quality.

### Q2: What payment methods do you accept?

A: Alibaba Trade Assurance, PayPal, T/T, Bank Transfer, Western Union and L/C

**Q3: How does your factory do regarding quality control?**

A: Quality is priority. QC department with professional quality assurance specialist attach great importance to quality controlling from the very beginning to the very end. Our factory has gained FDA Registered, RoHS, SGS, CE FCC, ISO9001:2008 ISO13485 authentication. Etc

**Q4: Factory? Yes! Can I customize items I like, such as to print our own logo, or to alter the design?**

A: Yes, we are a factory with more than 100 employees. We offer OEM/ODM service. Please contact us or our sales representative to check with the details.

**Q5: Delivery time and warranty? Which shipping service you will use for my goods?**

A: Our lead time is around 2-4 weeks, and we can provide 12 months warranty since delivery. We used DHL, FedEx, UPS, TNT, EMS as customer like.

**Q6: Where is your factory located? How can I visit there?**

A: Sure. We are more than happy to receive you in Dongguan and show you around our workplace.
