

Product Feature:

The **5 Pin Spring Loaded Pogo Pin to EU/UK/US Plug Adapter Cable** is designed for high-reliability applications where stable and flexible power connection is essential. It consists of two main components:

1. **Magnetic Pogo Pin Connector (5P)** - Our precision-machined, gold-plated spring loaded pogo pins ensure low contact resistance and long-lasting performance. Ideal for repeated plug-in/out cycles and demanding environments.
2. **AC Power Adapter (EU/UK/US)** - Available in various regional standards, our power adapter is securely connected to the pogo pin cable to support AC-to-DC power conversion for your device.

This cable assembly is widely used in **medical electronics, testing equipment, smart docking stations, POS terminals, and smart charging solutions**. Spring Loaded Connector Cable Factory

As a **certified cable harness and pogo pin manufacturer**, we offer complete **OEM/ODM services**, including plug molding, cable cutting, pin layout customization, and private label branding. We support low MOQ and fast sample delivery for evaluation.

High compatibility, suitable for a wide range of electrical appliances
