Shipping	By sea, By air or by express delivery (DHL/UPS/FEDEX)
MOQ	500PCS
Place of Origin	Dongguan, Guangzhou, China
Certification	CE,FCC,ROHS,REACH,UKCA

Product Features:

This 12v 2x4 PoweredUSB cable provides a single cable connection that supplies both the standard USB communication signals and extra power. The design of 12v PoweredUSB cable and its connectors allow for hot-plugging. This combined with Plug-and-Play operating systems allows USB power cable to be easily maintained and supported in the retail environment.

www.goochain-tech.com

One of the limitations of standard USB is the amount of +5V current available to supply attached peripherals. Normally, 500mA is available at each host port and each powered external hub port.

This amount of current is sufficient for most PC type peripherals like mice and keyboards. However, when the power requirements exceed the 500mA limitation, external peripherals require the use of an external power supply (brick) to supply the necessary power requirements.

This limitation takes away from the true "Plug-and-Play" idea conceived for USB peripherals. This PoweredUSB cable provides that functionality. This 6ft 12v to 2x4 Powered USB Cable features one 12v Powered USB Connector as well as one 2x4 Pin Connector, providing a durable 6ft connection for Powered USB devices such as POS printers, etc.

Technical Specs: Connector A: PoweredUSB 12V (8 pin; Host Side) Male, Connector, B: - PoweredUSB 2x4 (8 pin; Remote Side) Female,

As a professional custom industrial cable assembly manufacturer Gochain also produce [24V PoweredUSB Male to 24v Powered USB Female extension cable](#), Y splitter 24V PoweredUSB to power din 3pin and USB B male cable for Epson printer, We have all the injection mold for connector from 5V 12V 24V PoweredUSB , If you have any needs for this series of cable please feel free to contact with us,

Company Introduction

[Goochain Technology Co.,Ltd](#) is a professional custom cable assemblies manufacturer, manufacturing custom usb cables, Magnetic pogo pin cables manufacturer , Medical ecg cables , PoweredUSB extension Cables, Ethernet cables,Medical plugs and chargers,Wiring harnesses and computer cables , Founded in year of 2015 and we have 2000 square meters custom cable assemblies workshop, around 80 workers, 1 shift is 8 hours per day. We followed international ISO management Standard to make our custom cables, medical cables and chargers with Chinese factory price .

Certificates:

Goochain custom usb cables, Medical cables,computer cables,Pogo pin cables, USB Type c cables, USB Type C connectors,PD Fast chargers , PoweredUSB extension Cables all has passed the international required certificate so we can export all over the world,

FAQ
