Product Features:

Panel Mount B to B USB Cable features a 4 pin Type B male USB and 4 pin Type B female USB, which allows users to create extensions with existing connections. A convenient solution for custom enclosures such as internally mounted hard drives,

Panel Mount Cable allows connecting with the system case. Made with copper wiring, this cable enjoys better conductivity and provides easier connectivity.

Wiring of this cable has been done with aluminum Mylar foil that is braided for minimizing data loss and to improve efficiency.

Nickel-plated connectors of this cable prevent corrosion and add to the life of the cable. Connectors also ensure high speed data sharing and data transfer.

4 pin Type B male USB to 4 pin Type B female USB offer USB connectivity. Wire gauge configuration is the 24/28 AWG that is non-ferrous, solid, and electrically conducting

We have also produce [custom USB A Male to USB A Female extension cable](#), This cable is with up angle design for the male end,made with high quality materials,The [panel mount USB type C extension cable](#) also make by high quality materials to made sure it data transfer and speed more stable,
