Product Features:

POWERED USB CABLE 12V, DC PLUG, IBM P/N 29R0876 PRINTER POS SYSTEM

A--Descriptions

1.Providing the ability to supply power and communication signals using a single cable, powered USB is emerging as the industry standard in a broad range of environments including retail POS, industrial, security and medical, offering the convenience of true, single cable plug-and-play connectivity.

2.high quality design and construction needed to usher in a new generation of USB connectivity, providing superb grounding and protection for all components, as well as protection against the normal wear and tear that can result from repeated insertions and removals.

3.Backed by lifetime warranty to ensure long-lasting durability and optimum functionality.

B--Features

1. Guarantees 100% compliance CE,Rohs
2. Lenth:Custom.
3. Molded-strain relief construction for flexible movement, durability, and fit.
4. Reduces cross talk and interference with aluminum undermold contacts
- 5.This limitation takes away from the true "Plug-and-Play" idea conceived for USB peripherals
